Insist on Whiteley Medical when ordering your infection control products

Hospital Grade Neutral Detergent Wipes

Registered as a Class I Medical Device – ARTG No: 125529

Speedy Clean Wipes unique formulation and high quality apertured fabric wipes allow for streak free cleaning of surfaces and equipment in the healthcare environment.

Speedy Clean Wipes aid in the infection control process due to their single use application and versatile packaging. They are effective in their application and have been specifically formulated for the healthcare environment.

Speedy Clean ready to use solution is also available in a convenient 500mL pack size. Speedy Clean is non toxic,

pH neutral and safe for use on surfaces and equipment in the healthcare environment.

Healthcare providers must be confident that detergents and wipes used for cleaning are free of bacterial contamination and are labeled correctly with all relevant safety information. Call Whiteley Medical's Product Support Hotline 1800 833 566 for more information.
