

# MATERIAL SAFETY DATA SHEET

## Section 1: IDENTIFICATION

### SPEEDY CLEAN WIPES

**Recommended Use:** Hospital Grade, Neutral Detergent Wipes.

**Product Code:** 190328 (Carton of 4 canisters).

#### Whiteley Medical

A division of Whiteley Corporation Pty Ltd (A.C.N. 000 906 678)

Postal Address: P. O. Box 1076 North Sydney NSW 2059

Telephone Number: (02) 9929 9155 Facsimile: (02) 9929 9077

Web: [www.whiteley.com.au](http://www.whiteley.com.au)

Emergency Telephone Number: Poisons Information Centre (National) 131126

## Section 2: HAZARDS

Not classified as hazardous by the criteria of Safe Work Australia.

## Section 3: COMPOSITION INFORMATION

| Ingredient                             | CAS No         | Proportion |
|----------------------------------------|----------------|------------|
| Ingredients deemed not to be hazardous | Not applicable | To 100%    |

## Section 4: FIRST AID

|                               |                                                                                                      |
|-------------------------------|------------------------------------------------------------------------------------------------------|
| <b>Eye (Contact)</b>          | Hold eyelids apart and flush the eye continuously with running water.                                |
| <b>Skin (Contact)</b>         | If reaction occurs remove contaminated clothing and flush skin and hair with running water.          |
| <b>Inhalation(Breathing)</b>  | Not volatile at room temperatures.                                                                   |
| <b>Ingestion (Swallowing)</b> | DO NOT induce vomiting. For advice, contact a Poisons Information Centre (Phone 131126) or a doctor. |
| <b>Advice to Doctor</b>       | Treat symptomatically for neutral anionic detergent.                                                 |
| <b>First Aid Facilities</b>   | Ensure an eye bath and safety shower are available and ready for use.                                |
| <b>Additional Information</b> | No aggravated medical conditions are known to be caused by exposure to this product.                 |

## Section 5: FIREFIGHTING MEASURE

|                                     |                                                                                                                                        |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Suitable Extinguishing Media</b> | Solution does not burn however the wipe material is combustible. Use dry chemical powder, foam, water spray or fog type extinguishers. |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**Hazards From Combustion Products** Toxic and/or irritating fumes including carbon monoxide and carbon dioxide may be emitted.

**Precautions For Fire Fighters and Special Protective Equipment** Keep containers cool by spraying with water.

**Additional Information** Hazchem Code – Not applicable.

### Section 6: ACCIDENTAL RELEASE MEASURES

**Emergency Procedure** SAA/SNZ HB76: Dangerous Goods – Initial Emergency Response Guide – Not applicable.

**Spills / Clean up** Collect and dispose of spilled material according to local regulations.

### Section 7: HANDLING AND STORAGE

**Precautions for Safe Handling** Contact Whiteley Corporation sales representative for advice when using this product for any application other than that outlined on the label or technical bulletin. Any non-intended or non-authorized use of this product may result in personal injury or damage to equipment. Store product in original container. Wash hands and face thoroughly after handling and before work breaks, eating, drinking, smoking and using toilet facilities.

**Conditions for Safe Storage** Store in a cool, dry, well ventilated area away from incompatible materials. Keep container tightly sealed.

### Section 8: EXPOSURE CONTROL/PERSONAL PROTECTION

**National Exposure Standards** – Source: National Exposure Standards for Atmospheric Contaminants in the Occupational Environment [NOHSC:1003].

| <u>Ingredient</u> | <u>CAS No</u> | <u>ES-TWA</u> | <u>ES-STEL</u> |
|-------------------|---------------|---------------|----------------|
| None available    |               |               |                |

**Biological Limit Values** Not available.

**Engineering Controls** Not normally required.

**Personal Protective Equipment** Eye/face protection – Not normally required. Avoid eye contact.

Skin protection – Use rubber gloves to prevent skin contact.  
Respiratory protection – Respirator is not usually necessary but if product is irritating use a respirator suitable for organic vapours.

### Section 9: PHYSICAL AND CHEMICAL PROPERTIES

**Appearance** White apertured wipe. **Boiling Point** Not Applicable.

|                                         |                                                                     |
|-----------------------------------------|---------------------------------------------------------------------|
| <b>Odour</b> Powder fresh odour         | <b>Freezing Point</b> approximately 0°C                             |
| <b>pH</b> 7.0-8.0                       | <b>Solubility</b> Not Applicable.                                   |
| <b>Specific Gravity</b> Not Applicable. | <b>Flash Point</b> Not Applicable.                                  |
| <b>Vapour Pressure</b> Not Available.   | <b>Upper and Lower Flammability limits (in air)</b> Not Applicable. |
| <b>Vapour Density</b> Not Available.    | <b>Ignition Temperature</b> Not Applicable.                         |

### Section 10: STABILITY AND REACTIVITY

|                                         |                                                                              |
|-----------------------------------------|------------------------------------------------------------------------------|
| <b>Chemical Stability</b>               | Stable under normal ambient storage conditions.                              |
| <b>Conditions to avoid</b>              | Avoid high temperatures (store below 30°C). Protect against physical damage. |
| <b>Incompatible materials</b>           | None known. Do not mix with other chemicals.                                 |
| <b>Hazardous decomposition products</b> | None known.                                                                  |
| <b>Hazardous reactions</b>              | None known.                                                                  |

### Section 11: TOXICOLOGICAL INFORMATION

#### HEALTH EFFECTS

##### Acute

|                  |                                                                                                                              |
|------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Swallowed</b> | Considered an unlikely route of entry in commercial / industrial environments. May be irritating to gastro-intestinal tract. |
| <b>Eye</b>       | May cause irritation and reddening.                                                                                          |
| <b>Skin</b>      | May causes irritation.                                                                                                       |
| <b>Inhaled</b>   | Inhalation of mist may cause irritation.                                                                                     |

##### Chronic

|                   |                   |
|-------------------|-------------------|
| <b>Swallowed</b>  | No effects known. |
| <b>Eye</b>        | No effects known. |
| <b>Skin</b>       | No effect known.  |
| <b>Inhalation</b> | No effect known.  |

#### TOXICITY DATA

Not available.

### Section 12: ECOLOGICAL INFORMATION

|                                      |                |
|--------------------------------------|----------------|
| <b>Ecotoxicity</b>                   | Not available. |
| <b>Persistence and degradability</b> | Not available. |
| <b>Mobility</b>                      | Not available. |

### Section 13: DISPOSAL CONSIDERATIONS

|                        |                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Disposal method</b> | Refer to State/Territory Land Waste Management Authority. Dispose of material through a licensed waste contractor. Rinse empty containers |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|

thoroughly before recycling or disposing to an authorised landfill.

**Special precautions** Suitable for incineration by approved agent.

#### Section 14: TRANSPORT INFORMATION

Not classified as Dangerous Goods by the criteria of the Australian Dangerous Goods Code (ADG Code).

|                                     |                 |
|-------------------------------------|-----------------|
| <b>UN Number</b>                    | Not applicable. |
| <b>UN Proper Shipping Name</b>      | Not applicable. |
| <b>Class and subsidiary risk</b>    | Not applicable. |
| <b>Packing Group</b>                | Not applicable. |
| <b>Special precautions for user</b> | Not applicable. |
| <b>Hazchem Code</b>                 | Not applicable. |

#### Section 15: REGULATORY INFORMATION

Poisons Schedule (SUSDP): Not applicable.

All ingredients are listed in the Australia Inventory of Chemical Substances (AICS).

#### Section 16: OTHER INFORMATION

**Date of preparation:** 15<sup>th</sup> August 2013
